MASSAGE

Silhouette™

The **Silhouette™** is a perfect choice for those who value the massage feature and a wireless remote control over optional features available in an adjustable foundation.

Features & Benefits

- > **Motor:** Available in Whisper Quiet (DC) or Powerlift™ (AC) motors.
- > **Wireless Remote Control:** The remote control operates the unit by wireless communication. Illuminated, raised touch keys provide easy find buttons in the dark. Optional feature is a wired remote.
- > **Massage (1):** Equipped with one therapeutic body massage, including wave action to relax tired muscles from head to foot.
- > **Mobility:** Optional mobility is provided by twin wheel locking casters. Variable height selections are available to match existing luxury bed profiles. Optional threaded glides allow you to manually adjust the height of your bed.
- > Variable height options are available as an accessory to match existing luxury bed profiles and to match existing bedroom furniture heights.
- > Raise and lower the head and foot sections to your desired comfort position.
- > Available in traditional boxspring appearance.
